Dear Bob;

Happy Tax Day!

I appreciate you recently sharing your client's frustrations with me. The (Internal Revenue) Service's penalties can be draconian, especially for taxpayers who are doing their best to comply with the rules.

As you know, my specialty is tax controversy. I'd be delighted to speak with any of your clients that may need my help after receiving a letter from the IRS.

Please feel free to share my information and website (ManigrassoCPA.com) on your site.

Best regards,
