

1099 Express

Your Single Source For Quick, Simple 1099 & W-2 Processing, Printing and E-Filing

Looking forward to another round of end-of-year tax filing headaches? Printing, sorting, stuffing and mailing 1099s and W-2s. If not, we can help. Since 1995, thousands of customers have chosen the 1099 Express software and fulfillment solution. Because it's the low cost, trouble-free, totally-proven way to be in full compliance with all IRS and SSA rules. (We do the work while you concentrate on more important tasks.)

1099 Express Software

- Free downloading and testing without cost or obligation
- Your files are easily imported from Excel or other popular databases
- Print all your 1099s from your Quicken software with the included interface
- Allows you to e-file with the IRS or SSA or on paper or diskette via U.S. Mail
- W-2 Express is approved by the SSA for black and white laser forms sent to SSA
- An IRS Quality Certified Supplier since 1995...proven and reliable

1099 Express Service Bureau

- Free testing of your files for accuracy before processing
- Printing, folding, inserting and mailing for your 1099s and W-2s
- Back-up files for your records and mailing through a bonded mailing service
- Electronic filling of 1099s and W-2s with the IRS and/or SSA with written proof of delivery

The Reliable, Low Cost Solution
